

Historic Arkansas Riverwalk of Pueblo (HARP) Authority is hiring for its seasonal employment. We are looking for people that are enthusiastic, outgoing and excited to interact with our guests. Experience driving boats is not required, and all training will be provided. A variety of seasonal positions are available and the descriptions will be provided below. We look forward to receiving your application!

Job Title: Seasonal Boat Captain/ Pedal Boat Attendant

Salary Range: \$12.32-\$13.00 Per Hour

Job Description:

The Boat Captain/Pedal Boat Attendant is responsible for safely operating the excursion boats, engaging guests while giving narrated historic tours on the Riverwalk, providing visitor information, selling merchandise and vendor product. This position will assist with the maintenance and care of the Riverwalk through consistent monitoring of boats, tables, chairs, umbrellas, sidewalks and the Welcome Center environment. In addition, Boat Captains may be asked to serve alcohol when working on the cruise boat, handle cash, give change, process credit cards, and conduct a pre and post season inventory. Boat Captains may also be required to assist with HARP special events including set up and tear down. Boat Captain may also be asked to perform the duties of a Pedal Boat Attendant, and when serving as a pedal boat attendant, the boat captain is responsible for safely operating pedal boats, maintaining the cleanliness of all pedal boats, pedal boat shack, and the surrounding dock area including tables and chairs.

Job Title: Assistant Seasonal Operations Supervisor

Salary Range: \$13.00-\$14.00

Job Description:

During the summer season in the absence of the Seasonal Operations Supervisor, the Assistant Seasonal Operation Supervisor will be responsible for the day-to-day operation of the excursion, gondola, and pedal-boat operations, concessions, visitor information services and general operations of the Welcome Center on the Historic Arkansas Riverwalk of Pueblo. This position will assist the Seasonal Operations Supervisor with the hiring, training, supervising, and scheduling of all seasonal staff and volunteers for ticket sales, concession sales, pedal boats, excursion and gondola boat captains, and needed wait staff for private parties; and when so directed by the Seasonal Operations Supervisor, conduct the daily banking, record keeping, and cash management needs of the operation.
